(a) to (d): The Central Vigilance Commission has received 250 cases of IAS/IPS/IRS and allied services for 1st stage advice during the last calendar year and till March, 2008. The Commission has advised for major penalty proceedings in 77 cases, minor penalty proceedings in 26 cases and prosecution in 33 cases. The Central Vigilance Commission reviews the position regarding vigilance management in Government Departments/PSUs constantly through various mechanisms like monthly reports and by conducting meetings with the Chief Vigilance Officers of various organizations at regular intervals. Whenever, a systemic lacunae leading to possibility of manipulations or corrupt activities by public servants comes to the Commission's notice, appropriate guidelines are issued to plug such loopholes and to ensure effective vigilance administration. Depending on the outcome of investigation in individual cases, appropriate action as per law and/ or relevant disciplinary rules are taken against the concerned officers.
